Message From the CEO

Dear Members,

The kids are back in school; the festivities of summer have calmed down; and I hope you and your family have settled into the familiar rhythm of the fall season.

First off, I'd like to thank you all for your understanding and patience during our system upgrade. The upgrade was certainly an inconvenience for a few days, but I hope you find the improvements and enhanced services well worth it.

I invite you all to check out the new-and-improved tools the credit union now has to offer:

- Online Banking – Apply for a loan, check balances, pay bills and so much more right from the comfort of your couch.
- Mobile Banking – The upgraded Mission City app is simple to use and allows you to keep an eye on and manage your finances from the palm of your hand.
- MyFinances – Featuring a brand-new look, this tool gives you a comprehensive look at your finances and allows you to set budgets and goals.

Give these digital services a try today! I'm confident you'll love just how much each tool adds convenience to your life. If you have questions or need assistance setting up any of these services, contact us today. We'd be happy to help.

I understand there is still much uncertainty surrounding the pandemic. No matter what you need during this time, from a low-rate loan to a safe way to bank from home, Mission City is here to provide solutions.

Wishing you and your loved ones a healthy and happy autumn,

David Waterman

Chief Executive Officer
Mission City Federal Credit Union
