Message from the CEO

Dear Members,

It is about this time that we begin to make resolutions. At Mission City FCU, we encourage you to make some resolutions about strengthening your financial health. We have an array of ways to help you get a jump start toward any goals you may have.

Have a mortgage that you'd like to evaluate? Let's talk about it. Have another banking relationship that you'd like to compare against what we're offering you here at MCFCU? Let's talk. Interested in remodeling or adding an Accessory Dwelling Unit on your property? Let's talk. Interested in ways to improve your credit, and explore what kinds of financing you can qualify for? Let's talk.

Make 2021 your year of financial advancement, and don't forget to leverage all of the advantages we have for you here at the credit union.

Wishing you a healthy and prosperous 2021!

Sincerely,

David Waterman

Chief Executive Officer
Mission City Federal Credit Union

New Contactless Debit

The new MCFCU Debit Card is Contactless

All you have to do is tap your card on a payment terminal with this symbol: 

Mission City Debit: The App

It's like an on/off button for your debit card

- Real-time alerts keep you informed when your cards are used
- Transaction controls allow your cards to work only in specific locations or geographic areas
- When your cards are "off," no withdrawals or purchases will be approved

4.99% Visa Balance Transfer

Move high-interest rate balances from other credit cards to your MCFCU Visa and save

It's really easy to do. Simply send us your most current credit card statement and we will take it from there.

Lock in your Visa balance transfer rate until it's paid off

4.99% APR applies to transferred balances only, the standard 10.99% APR* applies to all other MCFCU Visa purchases. Transferred balances must come from non-Mission City FCU credit cards.*

Featured Santa Clara Checking Perk: 2% Dividend

Santa Clara Checking has a lot of features, but don't forget the 2% dividend

With a Santa Clara Checking account, you've got an array of valuable features at your disposal. You've got shopping, dining, and travel discounts all mapped out via the accompanying Mission City Mobile app. You've got cell phone protection and identity theft protection bundled in as well. You have roadside assistance at the click of a button. You also have pharmacy, hearing, and vision discounts. And if all that wasn't enough already, you also get a 2% dividend. Yes, really.

2%.

Santa Clara Checking is everything you always wanted in a checking account, and more. If you haven't tried it yet, visit www.missioncityfcu.org/santa-clara-checking for more information.

Please Keep Your Information Current

Verify that the credit union has your current address, phone number, and email address on file.

If you have moved, changed your name, or have made any other changes that should be reflected in our records, please contact us. You can also easily update your information inside of your online banking account, click the "Edit" tab in the upper right corner.
