Message from the CEO

Dear Members,

With the theme of this newsletter being progress and possibility, I would like to dive right in and call your attention to two new capabilities: 1. The 24/7 contact center, and 2. our 24/7 Lending Application Hotline.

Now, in addition to reaching us around the clock, you can also apply to finance an auto, credit card, personal loan, boat, recreational vehicle, motorcycle, and more.

Possibilities are created by technology and a prime example of that is our ability to come together virtually at our Virtual Annual Meeting.

Virtual Annual Meeting

April 29, 2021 at 4:00 PM

Register for the virtual meeting at:
www.missioncityfcu.org/annual-meeting

We look forward to meeting online, and we're happy to announce that members who both register and attend will receive the traditional Annual Meeting gift that has been customary for decades.

As always, we are grateful to be on this journey with you and welcome the opportunity to connect and find new ways of being in service to you and your family.

May 2021 bring you good health, happiness, and the possibility of progress in your life.

Sincerely,

David Waterman

Chief Executive Officer
