Plan for the Future: TruStage Insurance

Mission City Federal Credit Union has partnered with TruStage® Insurance to bring you home, life, auto and renters insurance at discounted rates exclusive to credit unions. TruStage Insurance is a simple, straightforward and budget-friendly way to plan for the future. Take a fresh look at your insurance policies to make sure you and your family are well protected from any obstacle life throws at you.

HOME

Have you made major home improvements recently? Or maybe you haven't compared rates in a while. Spring into action and get your homeowners insurance at the best rate for the right coverage.

LIFE

These policies provide funds to your family after your death. If you don't have one in place, now is a great time to sign up. Already have a policy? Make sure it will provide enough money to the people you choose.

AUTO

Take a few minutes in the spring to review your policies. Are you saving money by grouping your auto and home policies? Is the policy for your car covering enough or maybe too much?

RENTERS

In the case of an emergency in the place you rent, your landlord's insurance only covers the building and not your possessions. Even if your lease does not require renters insurance, it's smart to prepare for the worst with coverage!

Life changes quickly! Make sure your insurance policies are keeping up and see how you can save with TruStage Insurance.

Put Your Home to Work

Borrowing against the equity in your home can be a great way to consolidate debt, make home improvements or pay for other major expenses. With a Home Equity Loan, you receive your money in a lump sum at a low, fixed interest rate. This means you'll have predictable monthly payments to help with budgeting! Receive benefits as a Mission City member, such as:

- Rates as low as **7.25% APR***
- Borrow up to 80% LTV (max \$500,000)
- And other perks too!

Call us at **(408) 675-3939** to get started on your next big goal today.
