## Message From the CEO

Dear Mission City Federal Credit Union Members,

As another school year comes to a close, I am pleased to share the wonderful progress we have made through our collaboration with the Santa Clara Schools Foundation and the Santa Clara Unified School District. Our partnerships and

initiatives are growing stronger each year, reflecting our dedication to the community we serve.

This year, our credit union staff has been actively involved in various educational programs, including:

- **Financial Literacy Education:** We have been providing essential financial literacy education to students, equipping them with the knowledge they need to make informed financial decisions.
- **FAFSA Student-Parent Events:** Hosting these events has helped many families navigate the complexities of financial aid applications, ensuring that students have access to the resources they need for higher education.
- **Student Intern Program:** Our program has given high school students a unique opportunity to gain insights into the workings of our credit union and real-life business practices within their community.

In addition to these initiatives, we proudly sponsored the SCUSD teacher recognition event and look forward to welcoming teachers back to school in August. Our partnerships with educational programs such as Stukent and EVERFI have further enhanced students' financial literacy, preparing them for a secure financial future.

Overall, it has been a great year of growth and engagement. We are excited about expanding our commitment to the City of Santa Clara community and continuing to support educational and financial literacy initiatives.

Thank you for your continued trust and support. Together, we are making a positive impact on the future of our community.

Sincerely,

*David Waterman*

Chief Executive Officer

Mission City Federal Credit Union

## Exciting Update to Our High-Yield Checking Account!

We are thrilled to announce that our Yield Plus Checking account has been made even better. Now, not only do your debit card purchase transactions count towards earning an APY\* of **3%**, but your Mission City Visa® credit card purchase transactions do as well.

You have the flexibility to use either your debit card or credit card for purchases to meet the qualification of 10 purchase transactions per month.

In addition, our Mission City Visa credit card offers:

- A competitive, low rate of **10.99%** APR\*
- No annual fee

With these benefits, our Mission City Visa card stands out as one of the most attractive credit cards available.

Enjoy the freedom and benefits of our improved Yield Plus Checking account and Mission City Visa card by opening an account today! Learn more: [www.missioncityfcu.org/yield-plus-checking](http://www.missioncityfcu.org/yield-plus-checking)

\*APY = Annual Percentage Yield. APR = Annual Percentage Rate.
