Message From the CEO

We've reached the end of another school year, which marks the exciting beginning of the next chapter for graduating high school seniors. Congratulations to all, but especially to our five recipients of the Mission City Federal Credit Union Scholarship!

- **Jason** – Santa Clara High School
- **Evonne** – Santa Clara High School
- **Shaan** – Adrian Wilcox High School
- **Shreeya** – Adrian Wilcox High School
- **Jessica** – Mission Early College High School

Each student was awarded **\$2,000** for their higher education expenses. They all demonstrated their dedication to and respect for nonprofits, sharing stories of how nonprofit organizations have impacted their lives and communities.

These scholarships reflect our commitment to supporting financial literacy and strengthening our community. We are proud to invest in the future of our students and empower them to achieve their educational goals.

Empowering Dreams With Student Loans

We are now offering student loans to help our members find the money they need for education in a matter of minutes, not months. Our student loans help you save money with no origination fees or prepayment penalties. Plus, these loans are available to parents and those looking to refinance, along with undergraduate, graduate and professional students.

Search our student loan marketplace to explore options including:

- In-school and refinance loans
- Competitive fixed and variable interest rates
- Variety of repayment terms and options that fit your budget

Supporting students goes beyond just offering student loans though. Mission City FCU is proud to support education with 100% of our income from student loans going toward scholarships and local schools.
